Our dish descriptions don't always mention every ingredient, so just ask if you are unsure. Please inform a member of our team of any specific allergy or dietary requirement when ordering. Our kitchen & suppliers handle numerous ingredients and allergens. Whilst we have strict controls in place to reduce risk of contamination, it is not possible for us to guarantee that our dishes will be 100% allergen or contamination free. Please note allergens contained within our condiments (ketchup, etc.) are not included in this information.
